LEARNING OBJECTIVES

Controversies in Pain Management and Addiction – *approved for WV Drug Diversion CE* **ACPE UAN 0072-9999-21-013-L03-P (Application-based)**

- Outline the controversial prescribing of benzodiazepines for patients receiving buprenorphine or methadone
- List 3 strategies to minimize medication diversion in the hospital setting
- Describe characteristics of practitioners that divert medications in the hospital setting
- Discuss what comprises drug diversion, including West Virginia statistics on prescription drug abuse and resulting deaths
- State the epidemiology of chronic pain and misuse of opioids
- Describe the indicators for opioids in chronic pain treatment including general characteristics, toxicities, and drug interactions
- Outline patient evaluation and risk assessment and tools to assess risk and monitor benefits
- Explain the initiation and ongoing management of chronic pain in patients treated with opioid-based therapies
- Use a case study of a patient with chronic pain
- Identify diversion and drug seeking behaviors and tactics
- State best practice methods for working with patients, prescribers and law enforcement concerning patients suspected of drug seeking behavior and diversion
- Give examples of compliance with controlled substances laws
- Identify registration with and use of the West Virginia Controlled Substances Monitoring Program established in West Virginia Code 60-A-91

COVID-19 Essentials: What You Need to Know in 2021 – *approved for WV Immunization CE* **ACPE UAN 0072-9999-21-014-L06-P (Application-Based)**

- Review the timeline of the COVID-19 pandemic
- Identify the COVID-19 vaccines and compare their mechanism of action
- Discuss the vaccine emergency use approval process and the studies supporting vaccine effectiveness
- Compare and contrast the West Virginia Phase I and Phase II vaccination plans with the federal plan
- Review considerations in the development of COVID-19 vaccination priority groups within a state population
- Discuss the challenges experienced during a state-coordinated vaccination rollout
- Discuss any updated information on new strains of coronavirus and the expected effectiveness of the vaccines against these strains
- Apply current CDC guidelines on infection rate mitigation to make recommendations to the community

Drug Diversion, Substance Abuse and Pain Management Consultant
South College School of Pharmacy
Knoxville, TN

CONTINUING EDUCATION

West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education (CPE). This activity is accredited up to a total of 6.0 contact hours, or 0.6 CEUs, for pharmacists.

WVUSoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each activity. Successful completion includes attending the entire activity, signing the attendance sheet and completing an online evaluation form for each activity attended. Transcripts of CPE can be printed from NABP CPE Monitor and statement of attendance from pharmacyce.wvu.edu/user/login.

WHO MAY ATTEND

This CE activity is designed to provide 6 contact hours (0.6 CEU) for pharmacists only. Pharmacy technicians, nurse practitioners, physicians, nurses, allied health professionals, and pharmacy students are welcome to attend. Upon completion of the online non-pharmacist evaluation form, email the WVU School of Pharmacy CE Office at wwusopce@hsc.wvu.edu to request a statement of attendance. Remember, the continuing education credit is approved for pharmacists only.

DRUG COMPANY EXHIBITION

Prior to the seminar and during registration, representatives from the various drug companies sponsoring our seminar will have displays and will be available to talk to pharmacists about their products and services.

SCHOLARSHIP FUND

The Ohio-Marshall County Pharmacists Association has established a scholarship fund to aid pharmacy students at West Virginia University. Each year our association sends a contribution to WVU to be administered by the School of Pharmacy. The scholarship award is then presented by our association at the WVU School of Pharmacy Honors Convocation in the spring. The scholarship is based on both academic and financial need. If you know of any pharmacy student at WVU who could benefit from this scholarship, have her/him contact the School of Pharmacy Dean's Office and ask about the Ohio-Marshall County Pharmacist Association Scholarship.

SEMINAR COMMITTEE

Jason Turner – Seminar Chairman
Katie Kacmarik – Registration
Amber Conrad – Registration
